ST. FRANCOIS COUNTY SHOULD HAVE CREDITABLE EXHIBIT

Unusually attractive premiums are offered at the Missouri State Fair, August 10 to 17, for country agricultural exhibits. Crop conditions in St. Francois county were never more favorable than this year and all kinds of agricultural products bid fair to the biggest yield in years. This would be an excellent year to demonstrate county pride by displaying a prize-winning exhibit at the State Fair. According to the revised statutes of Missouri, funds may be appropriated by the County Court for such purposes, besides there is little expense, if any, where such liberal premiums are offered. Over \$500 will be given for the best exhibits and an opportunity to show over 200,000 persons what our county can produce. Everybody boost for a big county agricultural display.
